

## FAQ'S AND HOW TO'S – Membership Card Printing

(Q)

***My council has always been required to print and mail membership cards. Why is this being changed?***

(A)

In an effort to streamline basic operations and put tools in the hands of volunteers, the BSA has decided to make “self-service” as many membership processes as possible. This change will allow individuals and units to print membership cards in a timelier manner.

(Q)

***When is the effective date of this change?***

(A)

The effective date is **January 1, 2019.**

(Q)

***Will I still be able to order membership cards to print for individuals and units that don't have access to print cards through my.Scouting?***

(A)

No. Membership cards will no longer be available to be ordered. Councils should start communicating this change to the field now in preparation of the January effective date. Councils can also choose to keep their remaining stock on hand to print cards as a courtesy for individuals or units that have no means to print their own card.

(Q)

***What file format are membership cards in?***

(A)

Membership cards are downloaded as a PDF file.

(Q)

***Can I print a membership card for each of my registrations? If so, how do I do this?***

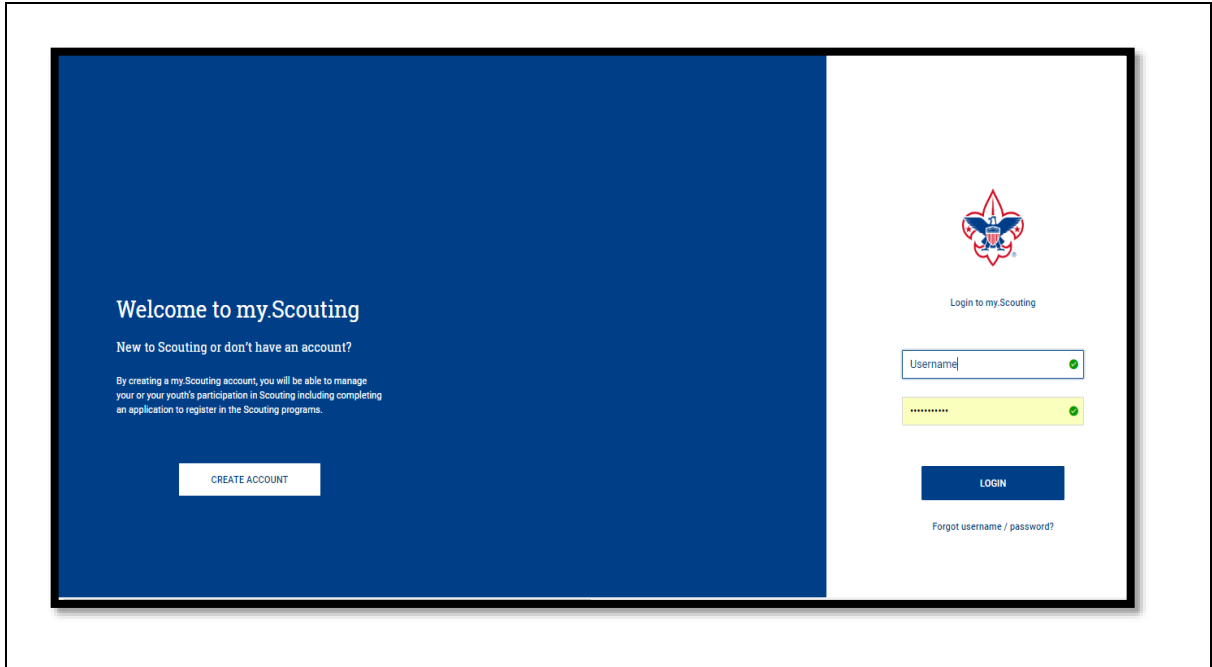

(A)

Yes, you can print an individual membership card for each of your registered positions. The steps on how to do this are as follows:

**STEP 1:** Using your current log-in information, log in to [my.scouting.org](http://my.scouting.org)

**(Q)**

***Do I still need to print membership cards for Exploring Posts and Clubs?***
