

MAX I. SILBER COMMISSIONER SERVICE AWARD

This award, The Max I. Silber Commissioner Service Award is intended to recognize fully trained Commissioners who fulfill all of their responsibilities in serving Units within the Daniel Webster Council, and may be earned by any registered Commissioner within Daniel Webster Council. The recognition consists of a Silver Commissioner Service Patch (CSP), which will be presented to the Commissioner upon completion of all the requirements.

The Max I. Silber Commissioner Service Award has been designed to work with and in conjunction will Nationally established training and recognition awards such as the "Arrowhead Honor", the "Commissioners Key", the "Commissioners Award of Excellence in Unit Service" and the "Distinguished Commissioner Service Award".

Requirements can be retroactively met and earned through past performance. For example, if you have previously earned the "Arrowhead Honor" in your current registered position, that requirement has been met.

Once your requirements have been completed, please submit via your District Commissioner your completed application.
