

WORLD SCOUTING MONTHLY MINUTE-APRIL 2020

The purpose of the World Scouting Monthly Minute is to introduce and update Units, Scouters & Scouts to the new area of International Scouting being promoted in the Daniel Webster Council. The DWC has a special International Committee, chaired by Craig Donais (603) 206-7296/Craig.Donais@NHScouter.com, to better educate, inform and to also conduct a variety of world scouting programs throughout New Hampshire. For any questions/comments or interest, please contact DWC International Representative R. Brian Snow for more information at PMLSNOW@hotmail.com / (603) 882-4000.

This month's highlights include: **The World Conservation Award**

The World Conservation Award helps Scouts learn to take care of Mother Earth.

The award requirements vary. Wolf and Bear Cub Scouts must complete a specified achievement, earn two electives from a list of three, and complete a den or pack conservation project. Webelos Scouts must earn the Forester, Naturalist, and Outdoorsman activity badges and complete a den or pack conservation project. Boy Scouts must earn the Environmental Science and Citizenship in the World merit badges, along with either the Soil and Water Conservation merit badge or the Fish and Wildlife Management merit badge. Venturers must complete the Ranger Award's Ecology elective and complete certain other requirements. There is no Tiger Cub or adult version of this award.

A Scout may earn the award once as a Cub Scout or Webelos Scout and can also later earn the Boy Scout and/or Venturing version. The Cubmaster, Scoutmaster, or Crew Advisor certifies that all requirements are complete. He or she should sign the relevant World Conservation Award application and forward it to the DWC Scout council service center. The award insignia is worn on the right pocket of the uniform shirt but can also be sewn onto a patch vest or blanket.

Upcoming International Scouting events in 2020 include:

~ **European Jamboree!** July 27-August 6, 2020; EuroJam-Gdańsk, Poland.
