What needs to be done to support Criminal Background Checks that BSA will be conducting 2020 and 2021?

The Boy Scouts of America (BSA) is committed first and foremost to keeping youth safe. Part of that commitment includes continually updating our youth protection policies to help ensure we are always on the forefront of youth safety.

One of the BSA's many barriers to abuse is a mandatory criminal background check during the adult volunteer application process. **The BSA will perform periodic rechecks of criminal backgrounds to support the continued safety of youth in our programs.**

Internet Rechartering has been enhanced to add a new column to show if the Council has listed an adult volunteer as having given CBC Authorization, if in a CBC required position. This column is read-only data. There is no online entry for Authorization to be submitted.

Each volunteer is asked to sign a document titled "Additional Disclosures & Background Check Authorization." These signed forms were first collected in 2019 or for New Adults the authorization is obtained at registration. If an adult is being renewed who did

not give this authorization last year, or currently using an Adult Application, the form can be completed. The Adult Application is available from this link: <https://filestore.scouting.org/filestore/pdf/524-501.pdf>

Why can't I click the Back button on my browser?

If you click the browser's Back button after entering information, you will lose information you entered. To return to a previous window, click the Previous button on the Internet Rechartering screen.

How can I print the roster before the final steps?

Go to **Review Roster** on the right panel and click Review/Print Roster. The roster appears in a new window. You can print this page, but this roster is not final and cannot be turned in to the council.

To print the roster:

1. Right-click in the new window.
2. From the drop-down menu, click **Print**.
3. In the print dialog box, choose a printer. Click **Print**.

How do I resolve a processing error if it occurs at Check Roster?

This is highly unusual. A processing error when clicking Check Roster step may mean there is an invalid birth year on a record in the roster. To fix this, view birth dates for members uploaded into Internet Rechartering and correct any invalid dates.

Can an adult hold two positions in the same unit?

Generally, the chartered organization representative (CR) is the **ONLY** adult allowed to hold two positions in the same unit. The CR may hold only the additional position of committee chairman (CC) or committee member (MC). The CR's additional position is always multiple in the same unit. The Executive Officer (IH) may also hold a volunteer position, such as CR, or serve in another position. Tiger Adult and Lion Adult are not volunteer positions and may hold a volunteer adult leader position upon application.

What is a "transfer" member?

Internet Rechartering does not include the option for 'Transfer' although Packs, Troops, Crews, Ships, and Posts have the Promote Members feature. Transfer definition: A transfer member is from another unit and the transfer must have an unexpired registration that is one or more months beyond the expiration date of destination unit. Promoted persons are not Transfers. The persons Promoted are from units with the same expiration date.

Webelos Scouts advancing to Boy Scouts in the unit with the same expiration date are **NOT** Transfers. Use Promote Members to bring in these records. In this same way, when you use Promote members to make eligible Youth become Adult Leaders, this is not a Transfer.

After Load Roster is done, why might an adult not have a leader position?

If an adult is displayed without an assigned position, you should select another position for this person if the adult is renewing. You will not be able to proceed past Check Roster unless this is resolved.

What is the Update Unit Roster function and when should it be used?

Update Unit Roster button will refresh member data to add new records and update Youth Protection status from the council's information. This should be done multiple times during the renewal process, especially if done over one or more days. For example, if the unit accepted Online Registration members or the council processed new members, adult or youth, use this feature. And if there are adults without Youth Protection that is current, do this to update status if the record may have changed from having completed certification online. This avoids duplicate entry and saves you time. If you are in a later Stage step and use this process and there is a new record added, it will return you Select Members for Renewal. If the member will renew then leave the record checked and navigate to your prior step.

How does Promote Members function for youth registrants?

Youth members will not be shown for selection unless age eligible to join the promoting unit. For youth who are old enough to be adult leaders, the record of the youth may be selected for an adult position. **Use Promote Members instead of creating a new adult record to maintain the continuity of the person's history and to avoid duplication.**

What is the process for resolving an error with Youth Protection Training?

Youth Protection is required to be current for each adult leader as of the effective date of the new charter term. If YP is not current, then at Check Roster an error will occur that must be resolved. Update Unit Roster is used to find if an existing registrant

has recently completed training. Errors are also resolved if the adult provided their YP completion certificate, Enter the course and date completed on the person record at Update Member Data. Keep a copy of the certificate to turn in to the Council with the unit renewal. If an adult is new, YP completion is entered as the record is created. If an adult was promoted without YP, enter the completion. Each volunteer adult leader is verified for YP being current on her or his record. To be considered as current, the Youth Protection Training Course (Y01) must have been completed on or AFTER February 1, 2018.

How does the optional electronic approval work for the unit renewal?

The unit renewal processor will find the approval feature in the Submit stage. For approval to occur the renewal processor may give account access to the chartered organization representative or to the executive officer. (Assuming this person is not the processor.) The approver reviews the roster and, if satisfied, selects their name from a pick list, checks the 'I (WE) AGREE box and clicks Next. If the processor wants to continue without approval being give, check the I (WE) DO NOT AGREE box and click Next. If back navigation is done later to make other changes, approval is reset and must be done again. You must select one of the boxes to proceed.

What if electronic approval is not used?

After Submit to the Council, the renewal processor prints the renewal report requested by the Council and physical signatures are obtained.

How does the optional online payment work for the unit renewal?

Two online payments options are offered. Online payment using credit card is available in the Submit stage following online approval. The credit card entry form is opened by clicking the first box and will display the calculated registration fees. If there is applicable fee for Accident Insurance this will display. A **3%** Administrative Fee will be added to the fee subtotal to arrive at the Total Fee due. The Administrative Fee offsets the cost of credit card processing. If the unit processor continues then the valid credit card information is entered and saved. Upon acceptance, the Credit Card Payment Confirmation will display. This will also appear on the unit renewal application following Submittal. No further changes can be made to the unit roster once payment is made.

Online payment by electronic check (E-Check) is also available. Please click the third box to open the form to complete for E-Check payment. There is no administrative fee for this process. **Do not pay online by Credit Card or E-Check if your unit is not 100% sure that no changes may be needed after renewal is paid and Submitted to Council.**

For any online payment the processor is agreeing that if collection is not successful that the unit, cardholder, or account holder, and/or processor is responsible for paying the fees that are due for the renewing unit. Funds not collected must be paid to BSA upon notification. Please be careful when entering and confirming your bank routing and account numbers.

What if online payment is not used?

The unit renewal processor will click the **Pay Direct to Council** button if credit card payment or e-check is not selected. The total fees due will be remitted to the council by check, unit deposit account charge, if authorized, or in cash or another accepted form of tender. Please follow any Council instructions regarding making payment for the unit renewal fees due.

If there is Council Fee, can this be paid with the charter renewal?

Yes. If your council has a Council Fee this will be calculated in the total fees due. If this item does not appear, your council may have a charge, but payment will be separate from the renewal. Please review your council information for instructions. The Council Fee will apply per Council request to Paid Adults and Paid Youth members with a 3% Fee if by credit card.

When should an Adult Application be completed and submitted to the Council?

The following is required: All new adult volunteer leaders must complete the Adult Application and provide their certificate of completion for Youth Protection Training. This applies to any adult record entered online during Internet Rechartering, any youth

member who is promoted to an adult position during Internet Rechartering, and any adult who was previously only in the position of Executive Officer, Lion Adult Partner, and Tiger Adult.

For youth in **Venturing and Sea Scouts** who become Venturing Participants at age 18, the Adult Application is required to comply with authorization to conduct a Criminal Background Check. If done during Internet Rechartering, the Adult Application must be submitted to the Council. For youth in **Packs and Troops** who hold the Unit Participant position at age 18, the Adult Application is required to provide authorization to conduct a Criminal Background Check. If done during Internet Rechartering, the Adult Application for Unit Participant must be submitted to the Council. For participants in Explorer Posts who hold the **Exploring Participant** position at age 18, the Adult Application is required to comply with authorization to conduct Criminal Background Check. If done during Internet Rechartering, the Adult Application for Exploring Participant must be submitted to the Council.

A final Note:

Membership fees support the services that are necessary to provide Scouting to youth from 5 to 20 years of age. With educational experiences you cannot receive elsewhere, the BSA provides unique growth opportunities at an excellent value.

Services include liability coverage for chartered organizations, continuous advances in technology, outdoor adventure and new program development and membership recruiting strategies, fundraising support, and support materials. In 2019 alone, the BSA served over two million youth members through all local councils across the United States and its territories and International locations.

Thank you.
