

2021 Recruit a Friend to Scouting Joining Fee Waiver

Thank you for bringing Scouting to a youth who is new to the program.

How does this program work?

1. A Scout recruits a friend to join Scouting.
2. The unit leader submits a form requesting the waiver of the joining fee using the attached link:

<https://www.cognitoforms.com/BSA4/2021RecruitAFriendToScoutingJoiningFeeWaiver>

3. The form will require the following to be completed
 - a. Name of person submitting the waiver
 - b. Email address of person submitting the waiver
 - c. Telephone # of person submitting the waiver
 - d. Name of youth who is joining Scouts
 - e. Name of the Recruiter
 - f. Unit Type and Number
 - g. District
4. After you have entered the above, hit submit and you will receive a confirming email. Attach this email to the youth application so the office knows the joining fee will be waived

If you retain the youth at recharter the unit will receive a \$25 credit that can be used to reduce the units recharter fees.

No waiver will be granted without the submission of the above mentioned form.
